§ 1.1108 Attachment of charges.

The charges required to accompany a request for the Commission regulatory services listed in §§ 1.1102 through 1.1107 of this subpart will not be refundable to the applicant irrespective of the Commission's disposition of that request. Return or refund of charges will be made in certain limited instances as set out at § 1.1113 of this subpart.

[65 FR 49762, Aug. 15, 2000]

§ 1.1109 Payment of charges.

(a) Electronic fee payments do not require the use of a FCC Form 159, Remittance Advice. An electronic fee payment must be made on or before the day the application and appropriate processing form are filed.

(b) The schedule of fees for applications and other filings lists those appli-

cations and other filings that must be accompanied by a FCC Form 159, Remittance Advice. A separate FCC Form 159 will not be required once the information requirements of that form (payor information) is incorporated into the underlying application form.

(c) Applications and other filings that are not submitted in accordance with these instructions will be returned as unprocessable.

NOTE: This requirement for the simultaneous submission of fee forms with applications or other filings does not apply to the payment of fees for which the Commission has established a billing process. See § 1.1118 of this subpart.

(d) Applications returned to applicants for additional information or corrections will not require an additional

fee when resubmitted, unless the additional information results in an increase of the original fee amount. Those applications not requiring an additional fee should be resubmitted directly to the Bureau/Office requesting the additional information. The original fee will be forfeited if the additional information or corrections are not resubmitted to the appropriate Bureau/Office by the prescribed deadline. If an additional fee is required, the original fee will be returned and the application must be resubmitted with a new remittance in the amount of the required fee to the Commission's lockbox bank. Applicants should attach a copy of the Commission request for additional or corrected information to their resubmission.

(1) If the Bureau/Office staff discovers within 30 days after the resubmission that the required fee was not submitted, the application will be dismissed.

(2) If after 30 days the Bureau/Office staff discovers the required fee has not been paid, the application will be retained and a 25 percent late fee will be assessed on the deficient amount even if the Commission has completed its action on the application. Any Commission actions taken prior to timely payment of these charges are contingent and subject to recession.

(e) Should the staff change the status of an application, resulting in an increase in the fee due, the applicant will be billed for the remainder under the conditions established by § 1.110(b) of the rules.

NOTE: Due to the statutory requirements applicable to tariff filings, the procedures for handling tariff filings may vary from the procedures set out in the rules.

§ 1.1110 Form of payment.

(a) Fee payments should be in the form of a check, bank draft, on money order denominated in U.S. dollars and drawn on a United States financial institution and made payable to the Federal Communications Commission or by a Visa or MasterCard credit card.

No other credit card is acceptable. Fees for applications and other filings paid by credit card will not be accepted unless the credit card section of FCC Form 159 is completed in full. The Commission discourages applicants from submitting cash and will not be responsible for cash sent through the mail. Personal or corporate checks dated more than six months prior to their submission to the Commission's lockbox bank and postdated checks will not be accepted and will be returned as deficient. Third party checks (i.e., checks with a third party as maker or endorser) will not be accepted.

(1) Specific procedures for electronic payment will be announced by Public Notice. Applicants must submit a written request to the Commission for authorization to make electronic payments of a fee for applications and other filings, as follows.

(2) No electronic payment of an application fee will be accepted unless the payor has obtained the written authorization of the Commission to submit application fees electronically. It is the responsibility of the payor to insure that any electronic payment is made in the manner required by the Commission. Failure to comply with the Commission's procedures will result in the return of the application or other filing and the fee payment.

(3) Payments by wire transfer will be accepted. Prior to making a payment by wire, the payor shall obtain the approval of the Managing Director or his designee. A completed FCC Form 159 shall be submitted to the Managing Director or his designee prior to initiating the wire transfer.

(b) Applicants are required to submit one payment instrument (check, bank draft or money order) and FCC Form 159 with each application or filing. Multiple payment instruments for a single application or filing are not permitted. Except that a separate Fee Form (FCC Form 159) will not be required once the information requirements of that form (the Fee Code, fee amount, and total fee remitted) are incorporated into the underlying application form.

(c) The Commission may accept multiple money orders in payment of a fee
